

## Heavy Duty Platform Scales

Strong & Accurate

### Applications:

- Automobile
- Pharma
- Food
- Steel
- Logistics
- Poultry Farms

- Four Loadcell Platform.
- Ideally Suited for Weighing in Manufacturing & Processing Industry
- Excellent Performance Under All Environment
- Large & Bright Radiant Green LED Display with Rechargeable Battery
- Choice of Expandable Interface Options & Accessories

## Overview:

GP series of Heavy duty Platform scale provides strong, rugged and cost-effective solutions. For wide choice of useful interface options makes it even more powerful for an industrial sector. These scales are available in various capacities and also are approved and individually certified by the Department of Legal Metrology. These series scales are right choice for your weighing needs.

### Salient Features:

- Large & Bright Radiant Green LED Display for easy readability
  - Counting mode, Percentage weighing, Wt accumulation facility
  - Tilt 90° and Swivel 360° head, easy the weighment.
  - Water resistant keypad / Option for Splash Proof body
  - Dust cover for protection against dust,water spillage
  - 100%Tare Range. Auto zero, Sleep Mode, Dummy Zero
  - Over load protected for safety
- User friendly & Rugged construction with MSC Platform

### Technical Specifications:

- **Power** : 230V AC/ 50Hz
- **Operating Temperature** : 50°-90° F/ 10°-40° C
- **Dimensions**: 223 x 105 x 205mm
- **Display resolution** : 1/100000
- **Battery** : 6V/ 4AH ; 24 hour back up
- **Remote display size** : 25 mm / 50 mm

### GP Series

Model	Capacity	Accuracy	Platform size	Platter (MOC)
<b>Four Load cell Platform</b>				
GP 1000	1000 kg	100 g	1000X1000 mm	MSC
GP 1000	1000 kg	200 g	1200X1200 mm	MSC
GP 1500	1500 kg	500 g	1200X1200 mm	MSC
GP 2000	2000 kg	500 g	1200X1200 mm	MSC
GP 3000	3000 kg	500 g	1500X1500 mm	MSC
GP 3000	3000 kg	500 g	1800X1800 mm	MSC
GP 5000	5000 kg	1000 g	Customized	MSC

### GPB Series

Model	Capacity	Accuracy	Platform Size	Platter (MOC)
GPB 150	150 kg	10 g	600X600 mm	SS
GPB 300	300 kg	20 g	600X600 mm	SS
